

2024 FRED EBB AWARD GUIDELINES

Eligibility:

Each applicant must be a composer/lyricist or composer/lyricist team wishing to create work for the musical theatre and must not yet have achieved significant commercial success.

Application Materials:

1. A digital recording containing up to four songs from one or more musical theatre pieces, with typewritten lyrics and a description of the dramatic context for each song.
 - MP3, ZIP, and M4A song files are preferred, but Dropbox files are also acceptable. Dropbox files should not have time limits.
 - Please combine lyrics and context descriptions into one PDF.
 2. A completed application form in PDF format (see next page).
- Because all submissions will be reviewed anonymously, please do not place name(s) of writer(s) in any electronic file names, lyric sheets, or descriptions of dramatic context. Names should **only** appear on the Application Form PDF.
 - Only musical theatre work will be considered.
 - Please do not submit recordings that include significant audience sound.
 - The applicant(s) must have written all the songs included in the submission. For example, a composer cannot submit one song with her own lyrics, and a second song with lyrics by another writer.
 - No individual may appear on more than one application. You cannot apply as an individual and again as part of a team, or as part of more than one songwriting team.

Submission Deadline and Award:

Applications will be accepted from **June 1–30, 2024**. Please email applications to fredebbfound@gmail.com with the subject line “Ebb Award Application 2024.” The winner will be selected in November 2024 and will be honored and receive \$60,000 at a reception on Broadway.
